When your pension will start

Your pension will be paid in advance, starting from when the policy is set up.

Where an on-line check is carried out, the agency will verify your identity against public records and it will also check whether you have a credit history (but it will not disclose any information about your actual borrowings). The agency will add a note to show that an identity check was made to your credit file, but this information will not be available to any third parties. We regret that we cannot offer an alternative unless the on-line check does not confirm your identity in which case, we will carry out a manual check.
