Please read these notes before completing your application

- These notes have been prepared to help you save time when completing this application form. Only the minimum number of questions are asked so that you can begin to benefit from your annuity without delay. Please answer all questions fully, do not use dashes; tick boxes where appropriate. It is important that your answers are accurate to the best of your knowledge.
- One life**
Where the annuitant is also the applicant, sections 1, 4, 5 and 6 should be completed.
Where the annuitant is different from the applicant, sections 1, 3, 4, 5 and 6 should be completed.
- Two lives**
Where the annuitants are also the applicant(s), sections 1, 2, 4, 5 and 6 should be completed.
Where the annuitants are different from the applicant(s), all sections should be completed.
- It is important that you complete section 4 carefully, as this advises us of the type of Annuity Plan required. If you are in any doubt, you should consult your financial adviser.
- It is imperative that you also complete and return the enclosed PLA1 tax form. This will enable us to approach the Inland Revenue to obtain approval for your annuity to be treated as a Purchased Life Annuity.

Single applicants

Longest life annuity effected by a single policyholder.

Points to be considered:

- The person who is not the policyholder has no rights whatsoever under the contract.
- If the policyholder dies first the annuity payments will be retained by Norwich Union pending the production of a grant of legal representation on receipt of which they will be made to the legal personal representatives; therefore the policyholder should consider:
 - Making the necessary provision in his/her will if it is the intention for the payments after his/her death to be made to the survivor.
 - The possible effects of any delay in making annuity payments following death if they are used to fund premiums under a life assurance policy.

For further advice on the above please consult your financial adviser.

Joint applicants

In accordance with Inland Revenue instruction, if there are joint applicants who pay income tax, Norwich Union will deduct tax at the appropriate rate. In circumstances where either or both applicants are not liable to income tax, they should refer to Norwich Union to establish their liability under the proposed plan.
